

# GET A UNIQUE TOILET SEAT

Use a whole new medium to brand yourself or your company. In a place which will definitely be visited frequently!

A logo makes a point.  
If you have a point,  
have your logo printed  
on a seat!

When it comes to decorated toilet seats, Pressalit is the unofficial world champion. Without expenses going through the roof we can offer you décor seats, art seats or whatever design you can think of. This enables you to brand, for example, your company, your hotel or your football club in a completely different way. If you have the idea, we will create a visual presentation of how you can brand yourself in a whole new way.
